Introducing the Cloonmore Log Cabin - where rustic charm meets modern comfort. Designed to be a sanctuary all year round, this cabin is spacious, warm, and radiates a distinctive country feel. With over 57m² of living space, it offers an open plan kitchen and living area that encourages togetherness, two snug bedrooms for privacy, and a dedicated bathroom for convenience. Whether you're preparing a meal, hosting guests, or simply relaxing on the expansive 11.5m² terrace, the Cloonmore ensures every moment is wrapped in comfort. Crafted meticulously from sustainably sourced Slow-Grown spruce and backed by a decade-long warranty, this cabin stands as a testament to both quality and sustainable craftsmanship. Experience the epitome of rustic luxury with the Cloonmore Log Cabin.
